**SUPPLEMENTAL RECITATION REGARDING AMENDING CLAIMS**

Your Applicant by and through her undersigned counsel hereby respectfully submits the ensuing remarks serving in supplementation of the filing on her behalf of September 15<sup>th</sup>, 2006 as respects her Amended Claims 1 and 2, to wit:

1. Claims 1 and 2 in the application are amended by way of deleting from the preamble portions thereof, the word, "comprising" and replacing said word instead with the words, "consisting of". (Please see Exhibit "A" entitled Amended Claims attached hereto and incorporated herein by reference.)

Amendment of Claims 1 and 2 in such regards, respectfully submitted, serves to amplify the fact that whereas claimed features in EP 1 285 958 referenced in the Office Action hereof being responded to are critical thereto, they are nevertheless not critical to the instant invention.

Moreover, respectfully submitted, the wiping material disclosed in the references cited in the Office Action is made of cloth, but; the wiping material in the instant invention is made of paper material.

In view of the foregoing, it is respectfully requested that the claims in the application in

view of the foregoing amendment thereto be now allowed.

DATED this 18<sup>th</sup> day of September, 2006 at Rutland,  
Vermont.
